Make-and-Take Communication Board

Spring 2010 Educational Regional Workshops

You are not going to want to miss this fun and hands-on opportunity to create a unique communication outlet for your cafeteria. Let your customers know who you are, what you serve, the nutritional content of your food, fun facts... How? by making a unique and flexible board to share valuable information. All materials will be provided so that you will leave with a board you can use the next day in your cafeteria. The cost of the workshop is \$2 and is payable by cash or check at the door. Participants will earn three CEUs toward SNA recertification. For your convenience, this workshop will be offered four times throughout the state. Please select the location and date that is best for you, then pre-register by calling the site contact listed for your date at least ONE WEEK PRIOR TO THE EVENT.
